ADMINISTRATION

OUR FACULTY

Sister M. Irenaea...our administrator and friend throughout the years at Sacred Heart. Her sacrifices cannot be calculated. Sister Irenaea will always find room in the hearts and memories of all of us.

Sister Paul Marie...our principal whose interest, ideals, and challenge in the academic reached far beyond text books. She, perhaps more than anyone else has a special endearment to the senior class. No expression could adequately repay our gratitude

Sister M. Noel...whose guidance and teaching in History and English followed us through our four years. Her untiring and efficient direction which extended to our many activities especially during our senior year earns our lasting gratitude.

Sister Ida Mary...who has contributed so much to our scientific background. We offer our heartfelt thanks to one who shares our confidence and enthusiasm.

Sister Gertrude...who displayed the glory of Rome to us through the Latin language besides bolstering our math.

Sister Bernard Mary...who opened up the wide area of mathematics and the speculation of theology for us.

Sister Johnette...through Literature and American History implanting seeds of perfect harmony within us.

Sister Helen Joseph...master in the business field, who taught us the commercial skills with their many facets.

Sister Rosalie...whose diligence has won for us the appreciation and metrics of both French and beautiful music.

Sister Mary Cecile...who through first and second year Latin introduced us to the culture and rudiments of this historical tongue.

Sister Nivard...who has patiently and efficiently shared her knowledge of music and art with us, developing our aesthetic sense and adding to our culture.

Junior high specialists, Sister Mary and Sister John Francis...the duet which is perfecting our youth for the rigors of high school.

Sister Terence, Sister Cora Mae, and Sister Martin...the exhorters of better effort in the younger students. They are establishing the future.

Sister Danella, Sister Mary Agatha, and Sister Miriam Therese...our devoted helpers through school life, generously doing so much that we might have strength for mental progress.

Sister Cosma...our favorite nurse extraordinaire, who gently assisted us through many physical trials and afflictions.

A TRIBUTE

Because I have felt the warmth
that only parents give,
I know what love is...

Because I have seen a smile in spite of pain
that only parents bear,
I know what sacrifice is...

Because I have learned the thrill of giving
when parents share,
I know what generosity is...

Because I have watched the glow of faith
that parents radiate,
I know what Heaven is...

Because I am the graduate
of parents such as mine,
I know who God is.

Adele Abate

JOHN JAMES BARLOW II
Plymouth

John, whose science wizardry rivals that of Merlin, is a geyser of energy. He plays basketball, loves a party, and always a dance. A sailor from way back, John has a genuine interest in the Ocean Sea. An idea man for all activities, and an organizational director for our sophomore and junior years, he has established himself as a model of school and class spirit. He never fails to give his full support to any function and to inject his own homespun humor into everything in which he participates. Because of his excellent academic standing, no one doubted his early acceptance at the University of Rhode Island.

John Barlow

MARY ANN BARONI
Bridgewater

Marie is the quiet type who makes many contributions in a small unobtrusive way. As Prefect of the Sodality she has encouraged many spiritual activities within the school. She possesses a reserved manner that warms with the glow of true friendship, and continues to grow once it is gained. Her thoughtfulness and promptness will carry her far and be rewarded in the coming years. Because of her exceptional ability, Marie will certainly be a successful teacher someday.

Marie Baroni

Peter Baroni

PETER J. BARONI
Bridgewater

Pete is everybody's buddy. Long remembered will be his hearty laugh and unusual antic when spirits are low, not to mention his helping hand when the multitudinous tasks for our periodic dances were demanding of time and energy. Pete drives a blue convertible with the greatest of ease. "Where's the party?" is his frequent question. Pete is our choice of the Futurama car designer. He is a fabulous dancer who is an asset to any party. What does the crystal ball hold for Pete? Whatever he chooses to do or wherever he chooses to go, he will always bring happiness into other people's lives.

DONNA FRANCES BARROWS
Hyannis

Donna, captain of our cheerleaders, and an exhibition of vibrant health, is a leader in many, many activities. Don-Don is vice-prefect of the girls' Sodality, and her influence permeates every school function. She's academically inclined, too, belonging to the "80 Club." This Cape Cod Miss is particularly fond of basketball and the Octet and never misses the school dances or parties.

Donna Barrows

GLENNANN MARY BORGARELLO
Eastham

Jill, Glennann Mary Elsie for short, is a Sacred Heart from way back. Jill is an excellent seamstress and cook. She plans a career as a furniture buyer for a large concern, and her level-headedness will assure her success. Jill has a sincere personality and whenever any of us need help or consolation, she is the person to see. Jill enjoys summer sports. This past summer, she became a proficient water skier and skied from Eastham to Provincetown! She loves to give parties, and none of us will soon forget her junior year beach party.

Jill Borgarello

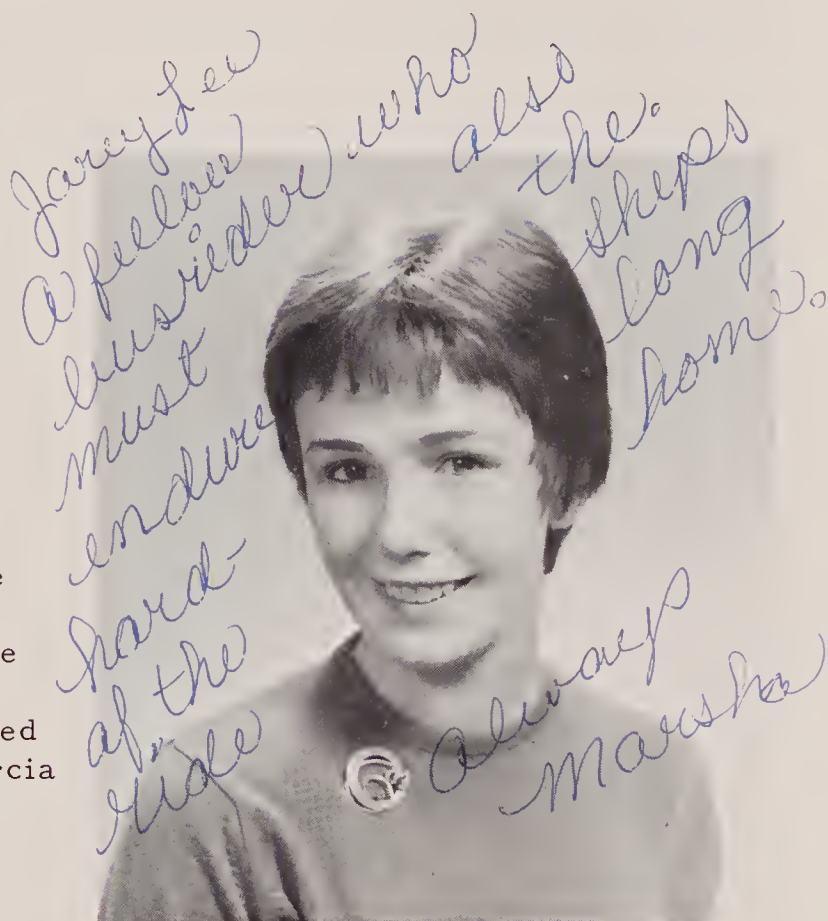

Diane Brouillard

MARY DIANE BROUILLARD

Diane is a National Honor student who majors in cramming kids into her mother's "Bug." She is a quiet girl who was an efficient class president in our freshman and sophomore years. Diane is Maryann's math tutor and gab sessions partner. She'll be a great success in any career.

MARCIA ELLEN BUTTERS
Green Harbor

Marcia, better known as "Marsh-Marsh" by her close friends, is well known and liked at S. H. H. S. Marcia's freckles have enhanced her winning personality. Her two inseparable companions are her dog and her telephone. Howdy-Doody was never imitated as well since Marcia took the part during one of the junior entertainments. Many a patient will be cheered by the winning smile and the kind word of Marcia in her future nursing career.

Marcia Butters

Ella Jane Bruen

ELLA JANE BRUEN
Cohasset

Ella Jane is our contact lens girl. In the summer she may be seen driving a jeep, rain or shine, through Cohasset Center. Ella Jane has rosy cheeks, and is forever smiling. She would like to enter the nursing profession and we're sure that her winning personality will pave her way to success. Ella Jane is practical, but would rather take the long way around when driving. She is a regular customer at the Shack and especially enjoys summer sports.

Andrea Casella

ANDREA LOUISE CASELLA

Manomet

Andrea has all the requisites of the true comedian. A Kennedy fan to the happy end, she even mimics his haircut complete with shaggy bangs. Andrea loves anything connected with the beach from seafood to waterskiing. An excellent typist, she is on the staff of both the Surf & Spray and the Corric. Andrea will always be remembered for her welcome smile and her goodnatured ways. Her secretarial training will be completed at Catherine Gibbs Secretarial School.

MARY SUE CALLIS

Scituate

Mary Sue is quiet and unassuming. A diligent sodalist, she is a picture of a perfect friend. Her temper is rarely aroused, but seeing people pushed around causes it to flare. She is a Red Sox fan from way back and hopes one day to see them win the pennant. She admires honesty and individualism. Diligence and sincerity also rate high on her scoreboard. Mary Sue can always be counted on for support.

Mary Sue Callis

Deirdre Cavanagh

DEIRDRE LOUISE CAVANAGH

Scituate

Dee is sweet and a little retiring. She is a star boarder who is always willing to help anyone, anytime. Although it is unknown to her fellow students, Dee has been the secret reporter of the "Mike" for the "Surf & Spray." No one will soon forget her immortal words, "Yes, I tied the kowels in tots." Dee has a way of answering any question with a shake of her head. She plans to go to college and major in social studies. Because of her friendliness and good nature, Dee will always be a good friend.

Barbara Coleman

DAVID ALAN CUSHMAN
Kingston

Cushie, as Dave is intimately known, has been with us only two years but has done so much for our class that "how did we ever get along without him" we wonder. He's everybody's friend with a jovial sense of humor and an all around happy and easy-going manner. His imagination, so vivid that its spectre glows about him, has been indispensable in all our activities, especially for dances. His red '53 Plymouth "bomb" always has room for one more. In college his scientific success is bound to materialize.

David Cushman

PATRICIA ANN DALY
Marshfield

Paddy Daly

Buttons is an essential spark of our class activity. She has been so ever since we welcomed her in our junior year. Her present status is president of the Resident Board and an S. H. H. S. cheerleader; she's popular with everyone. Kidded about her gray hair, she comes forth with the most unusual comments. Buttons loves to play the piano, to dance, and to drive off bridges. In the summertime, she can be found sailing her "Butnik" in and about Dartmouth Yacht Club area, but intellectual interests and college plans still claim first place.

Paddy, with her blithe, energetic nature, represents S. H. H. S. spirit to the fullest. To show the deep insight and interest she has in our class and more especially in our school, just witness the pages before you. She is our editor. Paddy, one of the most popular girls in our class, is mature and dependable and has a terrific personality. The "fun" girl, an exceptional dancer, she can be found at almost every school function. Sporting her '60 Plymouth, nobody stays in front of her very long. Paddy has scholastic ability in abundance, especially for tests and Vergil's Aeneid. College life should present no major problems for her.

Maryann Del Prete

MARYANN THERESA DEL PRETE
Rockland

Maryann, full of fun, generosity, and a million other good things, is a top senior. She always makes the best of things. Maryann is never at a loss for words. Though few things really upset her, boys who continually talk about football annoy her no end, especially because her favorite sport is baseball. Honesty and sincerity court the utmost respect from her and neatness and thoughtfulness are high in her esteem. You can't find a girl more fun to be with or a more loyal student anywhere. College life will give her many new opportunities for launching her unusual spirit.

JEAN ELLEN FITZGERALD
Plymouth

Jean is our "Surf & Spray" editor, a very personable young lady who likes swimming, history and clothes. Her school spirit is in the "plus" category as evidenced by her willingness to help in any situation. She participates in all school activities. Jean has a genuine stamp of humor and good feeling. She's efficient and dependable. Slotted by Webster as honest and sincere, she's slotted by the class as indispensable. Jean has been our class historian for all four years of high school. College success is just around the corner for Jean.

Jean Fitzgerald

Karen Dresser

KAREN MARIE DRESSER
Chatham

Karen, one of our favorite librarians, is rather unpredictable. She appears to many a quiet, shy girl, but her closer friends know her to be full of fun. Karen goes out of her way to help others. Her Irish eyes make anyone feel at ease. Her future plans center around nursing. Wherever Karen may go, she will always gain many friends. Wherever she has been, there will be a chain of delightful memories.

Kathleen Flanagan

KATHLEEN FLANAGAN
Whitman

Kathy, blonde, willowy, sweet and demure, all add up to a wonderful girl. She has drawn many a picture for the "Surf & Spray." Kathy has been a resident at S. H. H. S. for most of her four years, and the owner of the unforgettable Mergatroid. Loyalty is the outstanding characteristic in her relationship with her friends. Dramatics are of great interest to her, and the parts she played in the resident skits will not soon be forgotten. Kathy with all her winning qualities will make a wonderful airlines hostess.

MARIE LOUISE PIKE
Bridgewater

Marie is a blonde bubble of laughter and good will. She glows with the Christmas spirit throughout the year. Marie is a post graduate student who has retained the enthusiasm of a brand new freshman. Marie, another rider in "Hartsie's reliable antique," is an avid and enthusiastic conversationalist who has a good word for everyone. Bridgewater State College is her goal.

Marie Pike

Thomas Galletti

THOMAS ALLEN GALLETTI
Kingston

Tommy, a quiet, reticent fellow, has won many friends with his silent, confident manner. Adept in all sports, he excels in basketball. In the boys' Octet, he is a second tenor whose "I had a Dream, Dear" will always be remembered. Quite apropos with his singing is his dancing. Cape Cod is his favorite clime. Tommy is renowned for his smile and pleasant manner as well as his athletic prowess. His faithful Mercury is a perennial garnish to the school's parking lot and an essential tool in the functioning of any class activity.

Guy Gray

GUY BRYCE GRAY, JR.
Otis Air Force Base

Guy, with his quiet voice and quick though hidden wit, came to us from Bourne High in '59. A wizard with a camera, he spends many hours in the dark room, developing photographic masterpieces. An excellent student, Guy is a member of the National Honor Society and the "80 Club." His deadly shot is quite an asset to the basketball team and his talented fingers give him a claim to artistic fame. This versatile Sodality prefect plans a missionary career in the Far East.

ANN MARIE HALL
Scituate

Ann marie, our good things come in small packages girl, loves dances, driving, and the "Late Show." Other activities include eating steak at one o'clock in the morning, and talking all night, if any ears are available. Ann Marie is an excellent typist and business student. She is also as neat as a pin, and takes special pride in her immaculate blond hair style. Because of these traits, we predict that she will become an excellent secretary.

Ann Marie Hall

MARY PATRICIA HART
Brockton

Patricia Hart

Pat came to Sacred Heart in our junior year and since then has persevered in French and will always be remembered as the "two years in one girl." That certain glow is always with her. Her most contagious characteristic is her "music-maxia." It can be anything from Tchaikowsky to Ragtime and she'll be listening and keeping the beat. During the winter months Pat plays basketball or watches football - her two favorite sports. And when summer rolls around, Esther Williams, you better beware, for Pat is a great swimmer. Stonehill College is her next step toward a career.

Sandra King

SANDRA MARIE KING

Brockton

Sandy entered our ivy halls while we were juniors. She's been a member of the girls' ensemble and a resident at Sacred Heart for two years. Slightly retiring at first, she has become one of our most outspoken individualists, especially in religion and guidance classes. Sandy drives a '60 Ford station wagon to, from, and about school always using her time to benefit others. Sandy's dynamic intellectual personality will certainly assure her college success.

GARY D. JONES

Middleboro

Gary, a new student in the senior year, became famous quickly because of his strong Republican support. And when he lost, he showed his sportsmanship by humbly pushing a peanut up the hall with his nose - a sore spot for several days. On weekends Gary sells vacuum cleaners an experience which will help him attain his ambition to be a broker someday. If ever you need help politically, economically, or even in need of a vacuum cleaner, look for Gary, and after a college training, look for his name on an executive's door.

Gary Jones

VIRGINIA MARIE KINIRY

Scituate

Ginny has that certain air of sophistication and an exuberant style of cheerleading. She's always ready with a joke and can turn any situation into a bundle of laughs. She can talk for any length on any subject with anyone. So if you hear "Wouldn't you know it," or any other of her truly characteristic expressions, you've found Ginny. A lavish party giver, she finds time to add a night course in modeling to her busy schedule, and to get her college plans moving.

Virginia Kiniry

Kathleen Lannin

KATHLEEN LOUISE LANNIN

Hanover

Kathy, Bobby Darin's greatest supporter, little Miss Metrecal, is a ball of energy. Ads for the yearbook weren't hard for her to get, as she seems to have a magic touch when the reluctant merchant was cornered. Her proverbial "Why not?" always found its way into most conversations. Inside of class she's quiet, but outside she's the live-wire welcome at any party. Writing poetry is her favorite activity, but dancing runs a close second. To be a private secretary is her ambition. Honesty, school spirit, and enthusiasm are the characteristics which highlight Kathy's personality.

JEAN ANNE MacDONALD

Scituate

Jean is a happy-go-lucky girl who likes loyal friends and polite boys. French is her forte, but she hopes to teach English some day. Jean is an ardent party goer and has a real talent for entertaining also. Her easy manner and quick smile have always been truly characteristic of her. Jean has a terrific wardrobe and has an exquisite taste for good clothes. She enjoys driving and is a popular patron of the Shack.

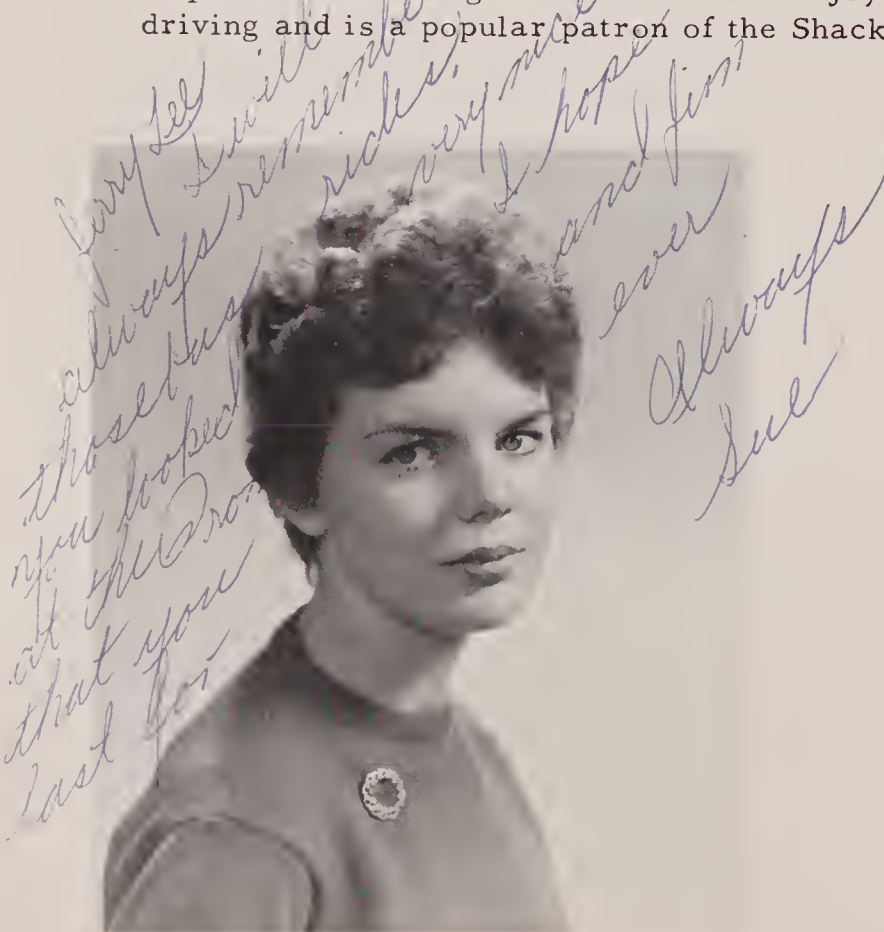

Jean MacDonald

SUSAN ELLEN McCARTHY

Green Harbor

Susan has been a member of Sacred Heart since the eighth grade. Sometimes her classmates call her "Sue-Sie." One of her favorite sayings is describing anything as "precious." Her favorite shopping center is Filene's Basement; even the clerks know her by her first name. Susan is an expert driver, and is known for her agility in parking in crowded Boston. Telephone conversations are her specialty - even to having a phone installed in her bedroom. Roller-skating is her favorite sport and Marshfield Rink ranks her among the unclassified professionals. Susan hopes to become an interior decorator.

Susan McCarthy

Joseph McGrath

JUSTIN PATRICK McLAUGHLIN
Marshfield

Justin is Sacred Heart's answer to Leonard Bernstein, Jascha Heifetz, and Richard Nixon. A man of action who has an opinion on anything, Justin watches the stock market and really makes it work for himself. He's always on the go and his "Olds" can make it from Hyannis to Kingston on a drop of gas and a prayer. His soaring tenor voice has made him a member of our celebrated Octet for three years. Determination and energy rank high on his list of qualifications. These characteristics should be an asset to him at Stonehill College.

Justin McLaughlin

ROBERT JOHN MALKOSKY
Bridgewater

Mels is the best-dressed boy in the senior class. He is an avid popular music fan who often doubles as D. J. at the school hops. He is quiet -- usually. Dry, dry humor is his brand and no one is exempt. A Bridgewater man, Bob will one day be famous for his "Malkosky's Laws," a unique book on physics.

Robert Malkosky

George Menslage

ELEANOR MARIE MURPHY
Duxbury

Ellie, is friendly, quiet, and the best friend you could have. A roller-skating enthusiast, just give her eight wheels and some music and watch her go! Brown hair, blue eyes, petite, and wired for sound can best describe our Duxbury import. On warm sunny days, she can be seen driving her Chevy through Duxbury, becoming exasperated when following drivers traveling at a snail's pace. The Sodality found her an excellent member and a hard worker. Ellie, our contribution to the solution of journalism's problems, is an honor student in any field and in college should make the dean's list.

Eleanor Murphy

THOMAS EUGENE MOORE
Kingston

Thomas Moore

Everyone knows George and there exists no possible chance of "mistaken identity" in his case. His aptitude in French is his distinctive academic achievement. George is a bass in the Octet and is as inseparable from that group as is singing. He's not the quiet type, and he reminds us of that constantly. George has a heart of gold, and no favor is too big or too small to receive his generous attention. With his faithful spirit of cooperation, George will be a success in his future activities.

Patricia O'Connell

PATRICIA ANN O'CONNELL
Rockland

Pat is a blonde bubble of laughter, who spends her time helping Mr. Tedeschi in his grocery business. Her favorite activity is bowling and she aspires to a Paul Revens Bowl Trophy for her C. Y. O. team. If you see a glowing red face and an aqua Ford, you can be sure it's Pat. Math is great in its place, but Pat is still trying to place it. Bridgewater State College will have a twinkling blue-eyed addition to its campus next fall, and the teaching profession will benefit by her gay sense of humor.

WILLIAM FRANCIS O'GRADY
Pembroke

Willy is Waterloo to all silence-in-the-hall offenders. He's also our favorite waterboy. His antique edition of a Plymouth, sports a body by Marshfield Sand and Gravel. Arguments are the spice of life to Bill. A democrat to the end, he stayed up 'til four a.m. to see the president-elect on November 8. Basketball is his sport and sleeping is his hobby, but college plans keep him awake.

William O'Grady

Doris Petrell

DORIS ELIZABETH PETRELL
Plymouth

Dorry, a lively sparkle of gaiety and nonchalance, is a car's best friend. When warm, cozy weather hits the scene, waterskiis and Mercurys play important parts in her enjoyment. Although planning further education, Dorry won't be far from Andrea or Ann Marie, her buddies through high school. Never the shy, retiring type, she will always be envisaged in memories of dances, basketball games, parties, and everything that filled the school year with excitement.

Dennis Quinn

DENNIS JOSEPH QUINN
Plymouth

Dennis, a well-known speaker at S. H. H. S., displays an exceptional personality and an independent confident manner. One of our more exemplary and studious colleagues, he is, at the same time, sailor, swimmer, and singer. A life-long member of the highest academic clubs, he is also a class officer and a member of the student council. Dennis has played a diverse and highly popular role in all class activities. Dennis' forte is almost anything he attempts. His integrity of character and academic achievement will serve him well at Boston College where he has been accepted on the early decision plan.

WINNIFRED ELLEN QUINN
Cambridge

Wynnellen, our Cambridge girl, is tall, slim, and gifted with a vibrant personality. Her dramatic talent came upon us suddenly when one evening she volunteered to direct and participate in a skit performed for the resident students. Since then "drama nights" at Sacred Heart feature Wynnellen in many versatile leads. Because of her athletic skill on the basketball court, she has been named the "Number One" Varsity Girl. Wynnellen hopes to be an airline receptionist, and her progress in the subjects necessary for this preliminary training predict success in her choice.

Wynnellen Quinn

Janet Ryder

JANET MARY RYDER
Plymouth

Janet is many things beneath a modest unassuming air. Her performance on the stage best typifies her deep and sensitive nature. Her scholastic ability has won her a "90 Club" card. She is always willing to lend a helping hand on any behind the scenes jobs. Order is said to be heaven's first law, but it is also Janet's. After college, Janet plans to work with the mentally retarded children.

Virginia Savage

VIRGINIA ROSE SAVAGE
Buzzards Bay

Ginny is the dark slim model type who is murder on the basketball court. Her bubbly enthusiasm encompasses any school activity. Quiet during school hours, she's really reserved extra ambition and energy for resident activities. After basketball, water skiing is the best sport in Ginny's book. We're sure of her success as a dental assistant.

MAUREEN ELIZABETH SHEEHAN
Marshfield

Mo, full of fun and individuality, is notorious for her blushing. A live wire, she is the life of the party. Efficiency and perseverance are her outstanding qualities. She always finds time to talk and is labeled our most experienced and best reader, who possesses an unlimited vocabulary. Maureen is always a welcome participator in any activity. She comes recommended as a superb class secretary and treasurer well qualified to join the ranks of superior college freshmen.

Maureen Sheehan

Kathryn Slyne

KATHRYN LOUISE SLYNE
Plymouth

Kathy is our most popular party giver, a real "hostess with the mostest." Always gay and at times effervescent, she glows with the vigor of youth and a warm cheerful personality. To share this with others is her goal. She has delicate hands and a hearty nature, always ready to assist anyone. Kathy possesses a keen and practical intellect and her sincerity shines from her flashing eyes - a truly good friend. We wish her endless success in her college choice, Rivier.

Virginia Stefani

VIRGINIA MAY STEFANI
Plymouth

Ginny is our all-around whiz. She is at the top of any list, whether scholastic or social. She is also a devoted gym decorator. As assistant editor of the "Corric" she has devotedly given of her time and talents. Ginny is a true-blue friend who gives honest advice without any qualms of repercussions. She won honors for Sacred Heart by becoming a finalist in the National Scholarship Test. We are sure she'll be on the dean's list at any college.

STEPHEN HOWARD SMITH
Plymouth

Steve, a rich bass in the boys' Octet, has run the entire gamut of activities with us for all four years. He's a well known, well-liked fellow who is popular not only among his classmates, but also among the undergraduates as well well. He is the outdoor type; fishing, hunting, and boating are his greatest loves. He has a yen for German, picked up at random. Steve has been a bulwark of school and class spirit throughout our brief history.

Stephen Smith

SARA LOU STEVERMAN
Scituate

Sara has become one of our finest exhibitions of class spirit. Highly individualistic though she may be, her popularity extends throughout the entire school. A long time member of the ensemble - a high soprano - she'll be a long time memory in the hearts of all her friends at Sacred Heart. Sometimes in a quandary over a physics or P. O. D. problem, she is a requisite to the courses she elected. Her goal to top the four year average with high senior grades changed a touch of obstinacy to determination.

Sara Steverman

Mary Vecchione

MARY THERESA VECCHIONE

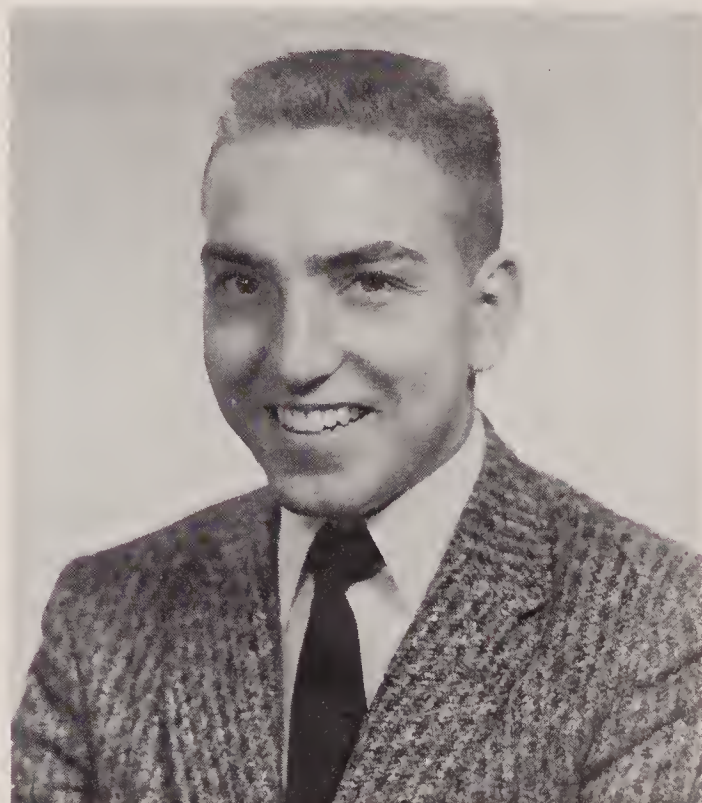

Cohasset

Mary is a quiet girl whose middle name ought to be efficiency. Her ambition is to be a nurse, and with her exceptional talent and pleasant personality, patients should speedily recover. Mary has been a familiar figure in our library for the past four years, and as a student librarian has helped us find the necessary research material. She has been driving to and from Scituate in a speedy gray Rambler. Her scholastic ability has always been a point of pride with the class of '61. In college Mary will successfully meet the challenge to develop her many and varied talents.

FERDINAND RUDOLPH THOMAS

Otis Air Force Base

"Ferdie" is one of the boys from nearby Otis. Any branch of science appeals to him but physics is his specialty. Ferdi doesn't mind stating his thoughts on any subject, particularly Communism. He likes to play football and basketball much to the dismay of Coach Lindberg. Because of his winning personality, Ferdi will always find friends wherever his future may lead him.

Ferdinand Thomas

Carolyn Williamson

CAROLYN ANNE WILLIAMSON

Kingston

Carolyn, a new member at S. H. H. S. this year, is known for her quiet, neat, friendly personality. She enjoys driving but hates speed limits. Carolyn also likes to paint. She admires humility in people and practices what she admires. Carolyn started her school career at Mishannock Kindergarten, but transferred to Kingston schools in grade school. Within a few short months of her return, we have learned that whenever we are in need of a smile, or a helping hand, we can turn to Carolyn. Any college campus life would be enriched with Carolyn among its students.

CLASSES

SENIORS

Senior Physics students experiment with science apparatus in our laboratory.

A busy and interested Trig class gauges its accuracy in solving right triangles.

Seniors spend many busy hours in the well-equipped library looking for research data.

ORGANIZATIONS

Above are seniors who qualified for the National Honor Society. High scholastic excellence and a superior character rating are essential for membership. The formal ceremony of induction is held later in the year, and it is an occasion of a colorful academic program presented in the Sacred Heart auditorium.

The Student Council has been of great assistance in furthering our academic studies. The Executive Council, the Advisory Board, and the General Assembly provide the proper atmosphere through order, peace, and justice.

ELECTION

Cheerleaders provided an extra spark that carried the day through to a reluctant end.

CAMPAIGN RALLY

Sacred Heart students held a "whooping" rally for the candidates this election. Head speakers for both parties whipped up wagons of pep with their "rabble-rousing" talks and parades.

BOYS' SPORTS

Character, the hallmark of goodness and truth, has always been designed for personal achievement at Sacred Heart. The physical education program is also a means to an end. At Sacred Heart basketball claims precedence, but baseball and football scrimmage play their part in the program under the direction of Coach Lindberg.

GIRLS' SPORTS

Leadership, cooperation, and fair play are the values youth can gain from athletics. The prime sport here on Route 80 is basketball. Cheerleading is another avid activity. Teamwork is an American tradition and an essential at S. H. H. S.

Below: The practice is in full swing and Wynn-ellen true to form always manages to get the ball.

OUR
MUSIC
DEPARTMENT

The S. H. H. S. band and orchestra, trained and directed by Sister Nivard, have always been points of pride to all the students. Whether playing for a rally, a dance, a recital, an assembly, or a social, they always performed in a splendid manner.

DANCE

COMMITTIES

AT WORK

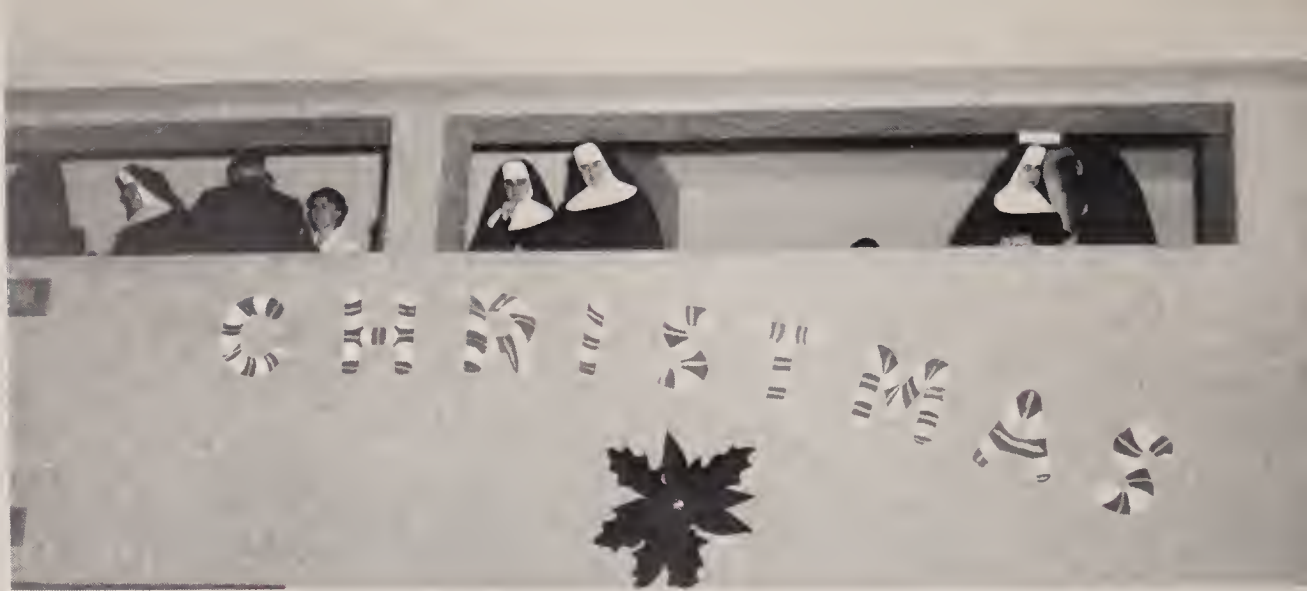

Many happy hours will be remembered as preparation for our dances. There was always the last minute rush, when our tired spirits and decorations fell, but things always worked out in the final analysis. No one will ever forget the good times culminating in a great dance.

Members of the decoration committees had their "ups-and-downs", but the assistance given by the faculty members seemed to keep their spirits up.

Don't Quit

I

When things go wrong, as they sometimes will,
When the road you're trudging seems all uphill,
When the funds are low and the debts are high,
And you want to smile, but you have to sigh,
When care is pressing you down a bit—
Rest if you must, but don't you quit.

II

Life is queer with its twists and turns,
As every one of us sometimes learns,
And many a fellow turns about,
When he might have won had he stuck it out.
Don't give up though the pace seems slow—
You may succeed with another blow.

III

Often the goal is nearer than
It seems to a faint and faltering man;
Often the struggler has given up
When he might have captured the victor's cup;
And he learned too late when the night came down,
How close he was to the golden crown.

IV

Success if failure turned inside out—
The silver tint of the clouds of doubt,
And you never can tell how close you are,
It may be near when it seems afar;
So stick to the fight when you're hardest hit,—
It's when things seem worst that you mustn't quit.
